[Multirate real time control system code generator - all 2 versions »](#)

LL Lehman, SC Shah, DB Varvell - US Patent 4,796,179, 1989 - Google Patents

... 31 - **multirate** real time control systems uses a functional library to define a multiplicity of functional blocks for ... **GENERATE CODE** ... OF IMPLICIT OUTPUT BLOCKS NO ...

[Cited by 17](#) - [Related Articles](#) - [Web Search](#)

[ControlH: an algorithm specification language and code generator - all 2 versions »](#)

M Englehart, M Jackson, H Inc, MN Minneapolis - Control Systems Magazine, IEEE, 1995 - ieeexplore.ieee.org

... be used to specify GN&C algorithms that are **multi-rate**. ... rate at which a collective group of operators ... The translator will **generate code** using controller as the ...

[Cited by 51](#) - [Related Articles](#) - [Web Search](#)

[Management of functions for block diagrams](#)

K Code, JE Ciolfi, MD Tocci, M Shakeri, M ... - freepatentsonline.com

... in the art will recognize that when users **generate code**, they may ... 8 depicts a **multi-rate** system, adding sample-time information to the **block diagram** of FIG ...
